## Kubota exhibited CA-NV AWWA Spring Conference on March in Sacramento, CA

Kubota exhibited 2019 Annual Spring Conference of the California-Nevada Section of the American Water Works Association (CA-NV AWWA) at Sheraton Grand & Convention Center on March 25-28, 2019 in Sacramento, CA.

Mr. Naoto Itabashi of Kubota made a presentation, titled 'Earthquake Resistant Ductile Iron Pipe (ERDIP) as a countermeasure against tsunamis' on Pipeline Rehabilitation Session. He pointed out The 2011 tsunami caused pipe exposure on many ERDIP pipelines, however the pipelines remained in service with No damage.
